You may pick up an application packet at our office or call us at 301-739-1190 to have it mailed to you.

The process includes taking a math pre-test, submitting 3 letters of character reference, high school transcripts, submitting an application with registration fee, an employer/apprenticeship agreement, and other details as needed. After successfully meeting the written requirements, an applicant must then pass an interview process. Tuition and Fees Please contact us for current tuition and fee costs. Either the apprentice or the employer may pay tuition and fee costs, but in either case payment is required prior to the start of classes.
